

Where will I live? Key concepts: Sustainable communities

School/Scheme	Understanding to be developed about 'sustainable communities'	Questions to develop understanding
Westholme School, A Geographical Mystery	Communities are diverse and complex.	How sustainable is it to have such a large house price differential in such a small area?
Habergham High School What makes an area good or bad?	Some views about sustainability are more powerful than others and dominate policy and decision-making.	Who decides the policies that determine the future priorities of a place?
Queen Elizabeth's Grammar Where would you be willing to live?	The ideas of what makes a sustainable community will change over time. It is not a fixed idea.	Why might we want to live be different at different stages of your life?
Ivy Bank Business and Technology College Urban Change	National priorities have local impacts.	What are some reasonable alternative futures for housing in our place?
Colne Primet High School Environmental Quality	Quality of life is a contested idea. The aspiration of sustainable communities might not bring benefits for all.	Why is the social and economic situation in Pendle and the Ribble Valley so different?
Edge End High School What is all the fuss about?	Different people have different understandings of what a sustainable community might be.	Do the national policies recognise local priorities and needs?
Coleridge Community School and Parkside Community School Marshall's Airfield	A sustainable community could include plants, animals as well as people.	Has any analysis been done on the effects that the airfield development might have on plants and animals?

<p>Sawston Village College New housing developments</p>	<p>The environment can have a stronger effect on the quality of life of some groups in society more than others.</p>	<p>Why is the housing market so different in East Lancashire and South Cambridgeshire?</p>
<p>St Bede's Inter-Church Schools and Chesterton Community College Perceptions of places</p>	<p>People can conflict over the way that an environment is changed or managed.</p>	<p>Do the people that make the decisions to change a place live with the outcomes of the final decision?</p>
<p>Hills Road Sixth Form College Managing Urban Environments</p>	<p>Some views of what is a sustainable community dominate over others.</p>	<p>Can re-urbanisation work?</p>
<p>Comberton Village College and Saffron Walden High School Sustainable Cambridge?</p>	<p>Sustainability is an idea about which many people have differing opinions. Some opinions are more informed than others.</p>	<p>What are some of the problems with building North Stowe?</p>
<p>Chesterton Community College Housing Design and Housing Needs</p>	<p>Different groups of people in different places debate and dispute the future of sustainable communities.</p>	<p>Why is sustainability such an important concept for this century?</p>
