Geography Model Making Competition Terms & Conditions

Submission of an entry will be taken to mean acceptance of these terms and conditions.

The Geographical Association (GA) Geography Model Making Competition is open to school pupils in years 3 – 9 who are residents of the UK, Channel Islands and Isle of Man or who attend an accredited British school overseas or international school. Pupils must create a model of something local to where they are living (this can include locations abroad if they are living there temporarily or part time during school holidays). There are three categories.

Two categories for individual entries:

- KS2 (Years 3, 4, 5, 6)
- KS3 (Years 7, 8, 9)

One category for a group entry (any sized group from 2 students or more):

- KS2 (Years 3, 4, 5, 6)

Entries must be submitted using the website https://geography.org.uk/geographical-model-making-competition/ before the closing date stated.

All photos submitted must be the work of the person submitting them. Entrants must warrant that the work they are submitting is their own work and that they own the copyright for any photos taken.

Copyright of all images submitted for this competition remains with the respective entrants. However, each entrant grants a worldwide, irrevocable, perpetual licence to the GA, Geographical Association and any of its sub-groups and committees, to feature any or all of the submitted images in any of their publications, their websites and/or in any promotional material connected to this competition.

Only one entry is permitted per person. Late or corrupt entries will not be accepted.

The winning entries will be those judged on the geographical relevance of the place represented by the model; the detailed and geographically written explanation; the originality and creativity of the model and the quality and design of the model build. The decision of the judges is final.

Prizes are GA certificates and will be announced on the GA's social media. The details are noted on the GA website.

The winners may be invited to take part in publicity events.

Events may occur that render the competition itself or the awarding of the prizes impossible due to reasons beyond the control of the GA and accordingly the GA may at their absolute discretion vary or amend the promotion. The entrant agrees that no liability shall attach to the GA as a result thereof.

English law applies and the exclusive jurisdiction of the English Courts shall prevail.
